

REFEREE

A complete volunteer schedule will be printed and posted at the Information Booth.

Please wear sun screen we had several volunteers with sunburns last year! Water and snacks will be provided to all volunteers and is available in the **Volunteer Tent**.

Please arrive at least 15 min. prior to your first game and please check in at the Information Booth. We will give you a Volunteer t-shirt, whistle and stop watch.

Please read the rules before your first shift! Copies will be at the Information Booth and at every score table. They are also online at www.makylasstreetjam.com/rules/.

Please time the games (25 min) in case no one gets to the 20 point automatic win. Overtime is simply the first team to score 2 points, which is either 2 buckets or 1 bucket from outside the dashed line. There is NO time on the overtime. Please call the 2 point buckets for the score keepers. Good communication between refs and score keepers is essential!

Call the game as you see fit. If you have a heated situation, you can stop the game and call the Court Monitor over. They can step in and either lighten the situation or alert a committee member. **You can give out Technical fouls to unruly parents/players/fans, please see Rule #9! You are a valuable resource to us and should not be subject to harassment!**

Please refrain from any cell phone usage during games. You will most likely have a 10-15 minute break in between games to use it then.
