

# SCORE KEEPER

A complete volunteer schedule will be printed and posted at the Information Booth.

Please wear sun screen we had several volunteers with sunburns last year! Water and snacks will be provided to all volunteers and is available in the **Volunteer Tent**.

**Please arrive at least 15 minutes earlier than your start time and Upon check in at the Information Booth.** We will give you a Volunteer t-shirt, score sheets should already be at the scorer's desk.

No cell phone usage during games and please refrain from having extra friends/children at score table. Parents are quick to complain you weren't paying attention if there is the slightest controversy in the score.

Attached is a sample score sheet.

- The upper right hand corner should be filled in on each score sheet.
- Enter both team names, referee name and Court Monitor names near the bottom.
- Keep score by crossing off a number for each point made. (1 point per basket, 2 points if it's made outside the dashed line) (please refer to your ref for the call on that).
- Teams each get 2 time outs, please make those down.
- The game ends when the first team reaches 20 points OR 25 min. has elapsed. (The ref will be keeping time.)
- If there is an overtime, please mark overtime points in the correct section. Then, add those to come up with your FINAL score.
- Fill in the FINAL score up top and CIRCLE the WINNER.
- **Have each team Captain sign to confirm scores and winner. (this is extremely important for staff entering accurate info on to the Bracket Board)!**
- Take score sheet to Information booth.

You will have a bag with some first aide items, in case anyone needs something basic. We have PTs and aide staff onsite for anything more serious.
